

# Read-a-learn

---

This activity is perfect for toddlers. Induce the habit of reading early even before they know how to read!

## What you'll need:

- Bath time books or books for infants with soft flaps or covers

## Instructions:

- Induce the habit in your baby of listening to you sing a lullaby or read a rhyme.
- Choose books with bright covers and flaps with a lot of rhyming text in it.
- Hold your baby on your lap and read to her so that she can see the pictures.
- Encourage her to touch the soft covers and the images.
- Keep the reading session brief but often so that she sustains her interest in the activity.
- Modulate your voice to grasp baby's attention.
